WORKSHOP

GENDER LEADERSHIP

WITH DR SHARON OMOTOSO

MARIE JAHODA FELLOW 2026

Bridging the knowledge gap on gender leadership in higher education and preparing students (undergraduate and/or graduate) for leadership within and outside academia, this workshop aims to develop and strengthen gender-enabling policies and programmes while simultaneously supporting gender mainstreaming in institutions.

- Deepen your understanding of gender mainstreaming within institutional settings
- Learn how to foster an inclusive environment that actively supports female researchers' career development
- Design and implement sustainable institutional change, where diversity and gender sensitivity are integral to the institutions' culture
- Develop long-term strategies to remove gender-based barriers and expand access to leadership and research opportunities
